Advanced Riding Program

New for 2024, the advanced riding program is headquartered in at the South Corral in the Elk Farm and offers quicker access to the less explored parts of the property. Riders can expect two and a half to three hours ride times, and the opportunity to learn advanced horseman ship skills as well as work cattle from horseback. **This is for advanced riders. To participate in this program your riding skill will be accessed by wrangler.**

Advanced Trail Ride

This ride leaves from the South Corral in Elk Farm and offers riders quicker access to the less explored parts of the property. Riders can expect more challenging terrain and two and half to three hours ride times. **This is for advanced riders. To participate in this program your riding skill will be accessed by wrangler.**

Walking Trail Ride

Our walking trail ride is designed for those who enjoy walking speed and walking speed only. This ride accommodates riders with basic skill levels and riders can expect an hour and half ride time. These rides will go up and down hills, cross small streams, and meander through the brush.

Walking Adult Extended Trail Ride

Identical to the walking ride but a ride time of two to two and a half hours. This ride will cover more terrain than the regular walking ride such as two track roads and occasionally blazing a new trail.

Intermediate Trail Ride

For riders looking to go faster than walking, the intermediate ride offers trotting and limited loping. This ride is designed for riders that want a little more than a basic trial ride and can be expected to last an hour to an hour and a half. The riding terrain will vary between hills and two track roads.

Intermediate Adult Extended Trail Ride

Identical to the intermediate ride but a ride time of two to two and a half hours. This ride also will cover varying terrain and reach further portions of the property.

Watersports Lessons

Boating Excursions

Cruiser

The sporty Stan Craft is actually a 1960's U.S. Coast guard design, and one of Stan Craft's first forays into fiberglass boat making. Originally started on the West shore of Flathead Lake, Stan Craft continues to produce some of the highest end wood powerboats available today. The Flathead River trip is always a favorite, allowing for a unique change in scenery and great Bald Eagle and Osprey viewing.

Guided Hikes

Hike the Montana mountains and enjoy the flora and fauna with spectacular views and scenery.

Guided Mountain Biking

The Ranch has developed trails for beginners to advance on the property, life is too short not to go big!

Yoga

A brisk walk up to the Hideout, not long in distance but a good climb! Relax in your flow with the best lake view on property.

Paddle Board Trips

Enjoy a 5-mile paddle down the Swan River. Beautiful mountain views and a chance to spot some wildlife.

Enjoy a 3.5-mile paddle down the Flathead River. While this river carries a bit more boat traffic, there are still amazing mountain views and sloughs to explore.

Pinzgauer Tours

Take one of Doug's favorite toys deep into the ranch's Elk Preserve. While the elk may be shy, views are guaranteed.

Adult Archery

For adults 18+. Join us on our new 3-D archery course. Our instructor will start you off with a lesson, then guide you along the 1-mile walking course as you practice your skills on 10 different targets.
